

City of South Lyon  
Concerts in the Park

Every Friday in June, July & August  
at 7:00 p.m. in McHattie Park!

**Dear South Lyon Area Business Owner,**

South Lyon is a unique community whose historic charm and hometown feel appeals to people from all over Southeast Michigan. In addition to our beautiful downtown, people in and around South Lyon come here for our wonderful community events.

Last year the **Concerts in the Park** attracted **200-300 people** to the gazebo at McHattie Park every Friday evening. In 2011 we would like to build on the success of this event by having 11 concerts - one every Friday evening in June, July and August (except for July 1<sup>st</sup>). It is our hope that this attention will be a great advertising opportunity for your business. Sponsors will receive several mentions from the stage and have their business name featured prominently at the event.

Please fill out the form below indicating what you can do to help make this community event a hit. We truly understand the strain the economy has caused for all of us and we appreciate your generosity. If you have any questions about how to get involved with this, or any other city-sponsored event, please call Kristen Delaney at (248) 437-1735.
