CITY OF SOUTH LYON

Freedom of Information Policies, Procedures & Guidelines

Approved and adopted by City Council on June 8, 2015
Effective July 1, 2015

Preamble: Statement of Principles

It is the policy of the City of South Lyon that all persons, except those who are serving a sentence of imprisonment, consistent with the Michigan Freedom of Information Act (FOIA), are entitled to full and complete information regarding the affairs of government and the official acts of those who represent them as public officials and employees. The people shall be informed so that they fully participate in the democratic process.

The City of South Lyon's policy with respect to FOIA requests is to comply with State law in all respects and to respond to FOIA requests in a consistent, fair, and even-handed manner regardless of who makes such a request.

The City of South Lyon acknowledges that it has a legal obligation to disclose all nonexempt public records in its possession pursuant to a FOIA request. The City of South Lyon acknowledges that sometimes it is necessary to invoke the exemptions identified under FOIA in order to ensure the effective operation of government and to protect the privacy of individuals.

The City of South Lyon will protect the public's interest in disclosure, while balancing the requirement to withhold or redact portions of certain records. The City of South Lyon's policy is to disclose public records consistent with and in compliance with State law.

Section 1: General Policies

The City Council, acting pursuant to the authority at MCL 15.236, designates the Clerk as the FOIA Coordinator. He or she is authorized to designate other City staff to act on his or her behalf to accept and process written requests for the City's public records and approve denials.

If a request for a public record is received by fax or email, the request is deemed to have been received on the following business day. If a request is sent by email and delivered to a City spam or junk-mail folder, the request is not deemed received until one day after the FOIA Coordinator first becomes aware of the request. The FOIA Coordinator shall note both the date the request was delivered to the spam or junk-mail folder and the date the FOIA Coordinator became aware of the request.

The FOIA Coordinator shall review City spam and junk-mail folders on a regular basis, which shall be no less than once a month. The FOIA Coordinator shall work with City Information Technology staff to develop administrative rules for handling spam and junk-mail so as to
protect City systems from computer attacks which may be imbedded in an electronic FOIA request.

The FOIA Coordinator may, in his or her discretion, implement administrative rules, consistent with State law and these Procedures and Guidelines to administer the acceptance and processing of FOIA requests.

The City is not obligated to create a new public record or make a compilation or summary of information which does not already exist. Neither the FOIA Coordinator, nor other City staff, is obligated to provide answers to questions contained in requests for public records or regarding the content of the records themselves.

A copy of all written requests for public records received by the City shall be maintained for a period of at least one year. The retention of such requests shall be the responsibility of the FOIA Coordinator, or applicable designee, or in the event that the records were released without review by the FOIA Coordinator, by the City Department which accepted and processed the request.

The City will make these Procedures and Guidelines document and the Written Public Summary publicly available without charge.

Copies of these Policies, Procedures & Guidelines and the City's Written Public Summary will be available and City Hall, the Police Department, and Fire Department, and it will be maintained and available on the City's website at: www.southlyonmi.org, so a link to those documents will be provided in lieu of providing paper copies of those documents.

Section 2: Requesting a Public Record

No specific form to submit a request for a public record is required. However the FOIA Coordinator may make available a FOIA Request Form for use by the public.

Requests to inspect or obtain copies of public records prepared, owned, used, possessed or retained by the City may be submitted in writing (letter, fax, email, etc.). A request must sufficiently describe a public record so as to enable City personnel to identify and find the requested public record. Verbal requests for records may be processed, but will be documented by the City. The FOIA Coordinator may insist on a written request.

Written requests for public records may be submitted in person or by mail to the City Hall. Requests may also be submitted electronically by fax and email. Upon their receipt, requests for public records shall be promptly forwarded to the FOIA Coordinator, and if applicable, his or her designee, for processing.

If a person makes a verbal, non-written request for information believed to be available on the City's website, where practicable and to the best ability of the employee receiving the request, shall be informed of the pertinent website address.
The FOIA Coordinator may implement administrative rules permitting verbal requests for public records in designated instances. Verbal requests for public records not available on the City's website are not considered to fall within the scope of the FOIA statute; shall only be responded to where the record in question will be made available or released in its entirety; and when waiver of the requirement of a written request and release of record, in the particular instance, serves the best interests of the requesting party, the general public, and the City. In the event that the public record sought by a verbal request will not be released in its entirety, the requesting party will be advised to file a written request.

A person may request that public records be provided on non-paper physical media, emailed or other otherwise provided to him or her in digital form in lieu of paper copies. The City will comply with the request only if it possesses the necessary technological capability to provide records in the requested non-paper physical media format.

A person may subscribe to future issues of public records that are created, issued or disseminated by the City of South Lyon on a regular basis. A subscription is valid for up to 6 months and may be renewed by the subscriber.

A person serving a sentence of imprisonment in a local, state or federal correctional facility is not entitled to submit a request for a public record. The FOIA Coordinator will deny all such requests.

Section 3:  Processing a Request

Unless otherwise agreed to in writing by the person making the request, the City will issue a response within 5 business days of receipt of a FOIA request. If a request is received by fax, email or other electronic transmission, the request is deemed to have been received on the following business day.

The City will respond to a request in one of the following ways:

- Grant the request.
- Issue a written notice denying the request.
- Grant the request in part and issue a written notice denying in part the request.
- Issue a written notice indicating that the public record requested is available at no charge on the City's website.
- Issue a notice indicating that due to the nature of the request the City needs an additional 10 business days to respond for a total of no more than 15 business days. Only one such extension is permitted.

If the request is granted, or granted in part, the FOIA Coordinator will require that payment be made in full for the allowable fees associated with responding to the request before the public record is made available. The FOIA Coordinator shall provide a detailed itemization of the
allowable costs incurred to process the request to the person making the request. The FOIA Coordinator will use the City's Cost Itemization Form.

A copy of these Policies, Procedures & Guidelines and the Written Public Summary will be provided to the requestor free of charge with the response to a written request for public records, provided however, that because these Policies, Procedures & Guidelines, and the Written Public Summary are maintained on the City's website at: www.southlyonmi.org, a link to the Policies, Procedures & Guidelines and the Written Public Summary will be provided in lieu of providing paper copies of those documents.

If the cost of processing a FOIA request is $50 or less, the requester will be notified of the amount due and where the documents can be obtained.

If the cost of processing a FOIA request is expected to exceed $50 based on a good-faith calculation, or if the requestor has not paid in full for a previously granted request, the City will require a good-faith deposit pursuant to Section 4 of this policy before processing the request.

In making the request for a good-faith deposit the FOIA Coordinator shall provide the requestor with a detailed itemization of the allowable costs estimated to be incurred by the City to process the request and also provide a best efforts estimate of a time frame it will take the City to provide the records to the requestor. The best efforts estimate shall be nonbinding on the City, but will be made in good faith and will strive to be reasonably accurate, given the nature of the request in the particular instance, so as to provide the requested records in a manner based on the public policy expressed by Section 1 of the FOIA.

If the request is denied or denied in part, the FOIA Coordinator will issue a Notice of Denial which shall provide in the applicable circumstance:

- An explanation as to why a requested public record is exempt from disclosure; or

- A certificate that the requested record does not exist under the name or description provided by the requestor, or another name reasonably known by the City; or

- An explanation or description of the public record or information within a public record that is separated or deleted from the public record; and

- An explanation of the person's right to submit an appeal of the denial to either the City Manager or seek judicial review in the Oakland County Circuit Court; and

- An explanation of the right to receive attorneys' fees, costs, and disbursements as well actual or compensatory damages, and punitive damages of $1,000, should they prevail in Circuit Court.

- The Notice of Denial shall be signed by the FOIA Coordinator or the Coordinator's designee.

If a request does not sufficiently describe a public record, the FOIA Coordinator may, in lieu of issuing a Notice of Denial indicating that the request is deficient, seek clarification or
amendment of the request by the person making the request. Any clarification or amendment will be considered a new request subject to the timelines described in this Section.

If there is a request to inspect public records, the City shall provide reasonable facilities and opportunities for persons to examine and inspect public records during normal business hours. The FOIA Coordinator is authorized to promulgate rules regulating the manner in which records may be viewed so as to protect City records from loss, alteration, mutilation or destruction and to prevent excessive interference with normal City operations.

If there is a request for certified copies, the FOIA Coordinator shall, upon written request, furnish a certified copy of a public record at no additional cost to the person requesting the public record.

Section 4: Fee Deposits

If the fee estimate is expected to exceed $50.00 based on a good-faith calculation, the requestor will be asked to provide a deposit not exceeding one-half of the total estimated fees.

If a request for public records is from a person who has not paid the City in full for copies of public records made in fulfillment of a previously granted written request, the FOIA Coordinator will require a deposit of 100% of the estimated processing fee before beginning to search for a public record for any subsequent written request by that person when all of the following conditions exist:

- The final fee for the prior written request is not more than 105% of the estimated fee;
- The public records made available contained the information sought in the prior written request and remain in the City’s possession;
- The public records were made available to the individual, subject to payment, within the time frame estimated by the City to provide the records;
- Ninety (90) days or more have passed since the FOIA Coordinator notified the individual in writing that the public records were available for pickup or mailing;
- The individual is unable to show proof of prior payment to the City; and
- The FOIA Coordinator has calculated a detailed itemization that is the basis for the current written request’s increased estimated fee deposit.

The FOIA Coordinator will not require an increased estimated fee deposit if any of the following apply:

- The person making the request is able to show proof of prior payment in full to the City;
- The City is subsequently paid in full for the applicable prior written request; or
• Paper copies of public records made on standard letter (8 1/2 x 11) or legal (8 1/2 x 14) sized paper will not exceed $.10 per sheet of paper. Copies for non-standard sized sheets of paper will reflect the actual cost of reproduction.

• The City will provide records using double-sided printing, if cost-saving and available.

The cost to mail records to a requestor will be based on the following requirements:

• The actual cost to mail public records using a reasonably economical and justified means.

• The City may charge for the least expensive form of postal delivery confirmation.

• No cost will be made for expedited shipping or insurance unless specified by the requestor.

If the FOIA Coordinator does not respond to a written request in a timely manner, the City will:

• Reduce the labor costs by 5% for each day the City exceeds the time permitted under FOIA up to a 50% maximum reduction, if any of the following applies:
  
  o The City’s late response was willful and intentional,
  
  o The written request conveyed a request for information within the first 250 words of the body of a letter facsimile, email or email attachment, or
  
  o The written request included the words, characters, or abbreviations for "freedom of information," "information," "FOIA," "copy" or a recognizable misspelling of such, or legal code reference to MCL 15.231, et seq. or 1976 Public Act 442 on the front of an envelope or in the subject line of an email, letter or facsimile cover page.

• Fully note the charge reduction in the Detailed Itemization of Costs Form.

Section 6: Waiver of Fees

Absent a waiver by the FOIA Coordinator in whole or in part, all charges associated with processing a FOIA request shall be paid in full before the release of any public records. The cost of the search for and copying of a public record may be waived or reduced if in the sole judgment of the FOIA Coordinator a waiver or reduced fee is in the public interest because it can be considered as primarily benefitting the general public. The City Council may identify specific records or types of records it deems should be made available for no charge or at a reduced cost.

In determining whether the general public is primarily benefited, the FOIA Coordinator may consider the following factors, none of which shall be determinative:
• Whether the public record being disclosed serves the public policy purposes set forth at Section 1 of the FOIA;
• Whether the release primarily serves a private or commercial purpose;
• Whether the release implicates the rights of third persons;
• Whether waiver of the fees is in the best interests of the City; and
• The manner in which similar requests have been treated.

Section 7: Discounted Fees

Indigence:

The FOIA Coordinator will discount the first $20.00 of the processing fee for a request if the person requesting a public record submits an affidavit stating that they are:

• Indigent and receiving specific public assistance, or
• If not receiving public assistance, stating facts demonstrating an inability to pay because of indigence.

An individual is not eligible to receive the waiver if:

• The requestor has previously received discounted copies of public records from the City twice during the calendar year; or
• The requestor requests information in connection with other persons who are offering or providing payment to make the request.

The affidavit shall be a sworn statement made under penalty of perjury. The FOIA Coordinator may make a FOIA Fee Waiver Affidavit Form available for use by the public.

Nonprofit organization advocating for developmentally disabled or mentally ill individuals:

The FOIA Coordinator will discount the first $20.00 of the processing fee for a request from:

• A nonprofit organization formally designated by the state to carry out activities under subtitle C of the federal developmental disabilities assistance and bill of rights act of 2000, Public Law 106-402, and the protection and advocacy for individuals with mental illness act, Public Law 99-319, or their successors, if the request meets all of the following requirements:
  o Is made directly on behalf of the organization or its clients.
Is made for a reason wholly consistent with the mission and provisions of those laws under section 931 of the mental health code, 1974 PA 258, MCL 330.1931.

Is accompanied by documentation of its designation by the state, if requested by the City.

Section 8: Appeal of a Denial of a Public Record

When a requestor believes that all or a portion of a public record has not been disclosed or has been improperly exempted from disclosure, he or she may appeal to the City Manager by filing an appeal of the denial with the office of the City Manager.

The appeal must be in writing, specifically state the word "appeal" and identify the reason or reasons the requestor is seeking a reversal of the denial.

Within 10 business days of receiving the appeal the City Manager will respond in writing by:

- Reversing the disclosure denial;
- Upholding the disclosure denial; or
- Reverse the disclosure denial in part and uphold the disclosure denial in part; or
- Under unusual circumstances, issue a notice extending for not more than 10 business days the period during which the City Manager shall respond to the written appeal. The City Manager shall not issue more than 1 notice of extension for a particular written appeal.

If the City Manager fails to respond to a written appeal, or if the City Manager upholds all or a portion of the disclosure denial that is the subject of the written appeal, the requesting person may seek judicial review of the nondisclosure by commencing a civil action in the Oakland County Circuit Court.

Whether or not a requestor submitted an appeal of a denial to the City Manager, he or she may file a civil action in Oakland County Circuit Court within 180 days after the City's final determination to deny the request.

If the court determines that the public record is not exempt from disclosure, the court will award the appellant reasonable attorneys' fees, costs and disbursements. If the court determines that the appellant prevails only in part, the court in its discretion may award the appellant all or an appropriate portion of the reasonable attorneys' fees, costs and disbursements.

If the court determines that the City arbitrarily and capriciously violated the FOIA by refusing or delaying the disclosure of copies of a public record, it shall award the appellant punitive damages of $1,000.

Draft 06/03/15
City of South Lyon - FOIA Policy, Procedures & Guidelines
Section 9: Appeal of an Excessive FOIA Processing Fee

If a requestor believes that the fee charged by the City to process a FOIA request exceeds the amount permitted by state law or under these Policies, Procedures & Guidelines, he or she must first appeal to the City Manager by submitting a written appeal for a fee reduction to the office of the City Manager. "Fee" means the total fee or any component of the total fee calculated under Section 4 of the FOIA, including any deposit. The appeal must be in writing, specifically state the word "appeal" and identify how the required fee exceeds the amount permitted.

Within 10 business days after receiving the appeal, the City Manager will respond in writing by:

- Waiving the fee;
- Reducing the fee and issuing a written determination indicating the specific basis that supports the remaining fee;
- Upholding the fee and issuing a written determination indicating the specific basis that supports the required fee; or
- Issuing a notice detailing the reason or reasons for extending for not more than 10 business days the period during which the City Manager will respond to the written appeal. The City Manager shall not issue more than 1 notice of extension for a particular written appeal.

Where the City Manager reduces or upholds the fee, the determination must include a certification from the City Manager that the statements in the determination are accurate and that the reduced fee amount complies with the City's publicly available procedures and guidelines and Section 4 of the FOIA.

Within 45 days after receiving notice of the City Manager's determination of an appeal, the requesting person may commence a civil action in the Oakland County Circuit Court for a fee reduction.

If a civil action is commenced against the City for an excess fee, the City is not obligated to complete the processing of the written request for the public record at issue until the court resolves the fee dispute.

An action shall not be filed in circuit court unless one of the following applies:

- The City does not provide for appeals of fees,
- The City Manager failed to respond to a written appeal as required, or
- The City Manager issued a determination to a written appeal.
Section 10: Conflict with Prior FOIA Policies and Procedures; Effective Date

To the extent that these Procedures and Guidelines conflict with previous FOIA policies promulgated by City Council, City Manager or FOIA Coordinator these Policies, Procedures & Guidelines are controlling. To the extent that any administrative rule promulgated by the FOIA Coordinator subsequent to the adoption of these Policies, Procedures & Guidelines is found to be in conflict with any previous policy promulgated by the City Council or the City Administration, the administrative rule promulgated by the FOIA Coordinator is controlling.

To the extent that any provision of these Policies, Procedures & Guidelines or any administrative rule promulgated by the FOIA Coordinator pertaining to the release of public records is found to be in conflict with any State statute, the applicable statute shall control. The FOIA Coordinator is authorized to modify these Policies, Procedures & Guidelines and all previous policies adopted by the City Council or the City Manager, and to adopt such administrative rules as he or she may deem necessary, to facilitate the legal review and processing of requests for public records made pursuant to Michigan's FOIA statute, provided that such modifications and rules are consistent with State law. The FOIA Coordinator shall inform the City Council of any change these Policies, Procedures & Guidelines.

These FOIA Policies, Procedures & Guidelines become effective July 1, 2015.

_____%  

Multiply the hourly wage times the fringe benefit multiplier  

$_____ x 1._____ = $_______ |

Divide the resulting hourly wage by four (4) to determine the charge per fifteen (15) minute increment
