CHAPTER 5
GENERAL PROVISIONS REGARDING OFFICERS AND PERSONNEL OF THE CITY

ELIGIBILITY FOR OFFICE IN CITY:

Section 5.1

He must also have been a registered elector on the last day for filing nominating petitions for such office or prior to his appointment to fill a vacancy.

(b) No person shall be eligible for any elective or appointive City office who is in default to the City. The holding of office by any person who is in such default shall create a vacancy unless such default shall be eliminated within thirty (30) days after written notice thereof has been served at his last known place of residence, according to the records of the City, by the City Clerk upon the direction of the Council, or unless the officer contests his liability for the default in a court of competent jurisdiction.

(c) No person who holds or has held the office of Mayor or Councilman shall be eligible to hold any appointive office in the City until one year has elapsed following the expiration of the term of office for which he was elected. This provision would not apply to such appointments as the Board of Review, Planning Commission, or the Zoning Board of Appeals where nominal compensation may be paid.

(d) No appointive City officer or employee shall seek an elective office of the City unless he resigns from his position with the City.

Any member of the Council or other officer found guilty of violating the provisions of this section may be punished by a fine of not to exceed five hundred dollars ($500.00) or be imprisoned for not more than ninety (90) days or both within the discretion of the court. The conviction of any Councilman or officer under this section shall operate in itself to forfeit his office.

SURETY BONDS:

Section 5.3 Except as otherwise provided in this Charter, the Council may require any officer or employee of the City to give a bond to be approved by the Council, conditioned upon the faithful and proper performance of the duties of the office or employment concerned, in such sums as the Council may determine. All such officers or employees who receive, distribute, or are responsible for City funds or investments shall be bonded. such officer, employee or sureties. All official bonds shall be corporate surety bonds and the premiums thereon shall be paid by the City. Bonds required by this section shall not be renewed upon the expiration of the terms for which issued, but in each case, a new bond shall be furnished. Any officer or employee who is covered by a blanket surety bond need not be bonded individually for the purpose of qualifying for office.

DELIVERY OF OFFICE:

Section 5.4 Whenever any officer or employee shall cease to hold such office or employment for any reason whatsoever, he shall within ten days, and sooner on demand, deliver to his successor in office or to his superior, all the books, papers, money and effects in his custody as such officer or employee. In the case of failure to comply with the provisions of this section within ten (10) days from the date of his election or appointment, such officer shall be deemed to have declined the office and such office shall thereon be vacant, unless the Council shall, by resolution, extend the time in which such officer may qualify as set forth above.

INCREASE OR DECREASE IN COMPENSATION:

Section 5.8 The Council shall not grant or authorize extra compensation to any City officer, elective or appointive, or to any employee, agent or contractor, after the service has been rendered or the contract entered into. Nor shall the salary of any officer, elective or appointive, be increased or decreased after his election or appointment during any fixed term for which he was elected or appointed.

Section 12.1 The City shall possess and hereby reserves to itself all the powers granted to cities by law to acquire, construct, own, operate, improve, enlarge, extend, repair, and maintain, either within or without its corporate limits, including, but not by way of limitation, public utilities for supplying water, light, heat, power, gas, sewage treatment, transportation and garbage and refuse disposal facilities, or any of them, to the municipality and its inhabitants thereof; and also to sell and deliver water, light, heat, power, gas and other public utility services without its corporate limits as authorized by law.

There shall be no discrimination in such rates within any classification of users thereof, nor shall free service be permitted. Higher rates may be charged for service outside the corporate limits of the City.

(b) The rates and charges for any municipal utility shall be fixed as to at least meet all the costs of such utility including depreciation.

(c) Transactions pertaining to the ownership and operation by the City of each public utility shall be recorded in a separate group of accounts under the appropriate fund caption, which accounts shall be classified in accordance with generally accepted utility accounting practice. Charges for all service furnished to, or rendered by, other City departments or agencies shall be recorded. (b) That, except as otherwise provided by law, the City shall have as security for collection of charges a lien upon the real property supplied by such utility, which lien shall become effective immediately upon the supplying of such utility service and shall be enforced in the manner provided in such ordinance.
(c) The ordinance shall specify the terms and conditions under which utility services may be discontinued in case of delinquency in paying for such rates and charges, and, that suit may be instituted by the City before a competent tribunal for the collection of such rates and charges.

DISPOSAL OF UTILITY PLANTS AND PROPERTY:

Section 12.5 Unless approved by the affirmative vote of a majority of the electors voting thereon at a regular or special election, the City shall not sell, exchange, lease or in any way dispose of any property, easements, equipment, privilege, or assessment belonging to and appertaining to any municipally owned public utility which is needed to continue operating such utility. All contracts, negotiations, licenses, grants, leases, or other forms of transfer in violation of this section shall be void and of no effect as against the City. No such franchise ordinance shall be approved by the Council for referral to the electorate before thirty (30) days after application therefore has been filed with the Council nor until a public hearing has been held thereon, nor until the grantee named therein has filed with the Clerk his unconditional acceptance of all the terms of such franchise. No special election for such purpose shall be ordered unless the expense of holding such election, as determined by the Council, shall have been first paid to the Treasurer by the grantee.

(c) A franchise ordinance, or renewal or extension thereof, or amendment thereto, which is subject to revocation at the will of the Council may be enacted by the Council without referral to the voters, but shall not be enacted unless it shall have been complete in the form in which it is fully enacted and shall have so been on file in the office of the Clerk for public inspection for a least four weeks after publication of a notice that such ordinance is on file.

CONDITIONS OF PUBLIC UTILITY FRANCHISES:

Section 12.7 All public utility franchises granted after the adoption of this Charter, whether it be so provided in the granting ordinance or not, shall be subject to the following rights of the City, but this enumeration shall not be exclusive or impair the right of the Council to insert in such franchise any provision within the power of the City to impose or require:

(b) To require adequate extension of plant and service and maintenance thereof at the highest practicable standard of efficiency;

Every such public utility may be required by the City to permit joint use of its property and appurtenances located in the streets, alleys and other public places of the City by the City and by other public utilities insofar as such joint use may be reasonably practical and upon payment of reasonable rental therefore. In the absence of agreement and upon application by any public utility, the Council shall provide for arbitration of the terms and conditions of such joint use and the compensation to be paid therefore, and the arbitration award shall be final.

SALE AND ASSIGNMENT OF FRANCHISES:

Section 12.1 The grantee of a franchise may not sell, assign, sublet, or allow another to use the same unless the Council consents. Nothing in this section shall limit the right of the grantee of any public utility franchise to mortgage its property or franchise nor shall this restrict the right of the purchaser, upon foreclosure sale, to operate same, except that such mortgagee or purchaser shall be subject to the terms of the franchise and provisions of this Charter.
